Item 1.01 Entry into a Material Definitive Agreement.

The description of the exclusivity agreement set forth in Item 8.01 of this Current Report on Form 8-K (this “Current Report”) is incorporated herein by reference. The description of the exclusivity agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the exclusivity agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated by reference herein.

Item 8.01 Other Items.

As previously disclosed, on August 29, 2022, Koito Manufacturing Co., Ltd. (“Koito”), an automotive tier 1 partner of Cepton, Inc. (the “Company”) delivered to the Company a non-binding letter of intent (the “Non-binding LOI”) expressing an interest in pursuing an investment in a new class of convertible non-voting preferred securities to be issued by the Company (the “Proposed Preferred Stock”) for an aggregate subscription price of up to \$100.0 million. The Non-binding LOI requested that the Company grant Koito a 60-day period of exclusivity to negotiate the terms of the Proposed Preferred Stock, with the terms of such exclusivity arrangement to be specified in a separate agreement to be entered into between the Company and Koito.

On September 6, 2022, the Company entered into an exclusivity agreement with Koito which grants Koito a 30-day exclusivity period during which the Company agreed not to, directly or indirectly, solicit, participate in negotiations with or furnish any confidential information to any person other than Koito with respect to the Company or any of its subsidiaries in connection with, or approve or enter into any agreement relating to, any alternative third-party proposal to make a material investment in, acquire a material equity interest in, or acquire a material portion of the assets of, the Company. Under the terms of the exclusivity agreement, the Company is not prohibited from soliciting, negotiating with, furnishing confidential information to, or approving or entering into any agreements with banks, lenders (except for strategic business partners) and other financial institutions for debt financing transactions. At this time, there can be no assurances that the Company will or will not enter into any definite agreements with Koito, issue any securities to Koito (including the Proposed Preferred Stock) or otherwise enter into any other strategic corporate transactions with Koito or, following expiration of the exclusivity period, any other third party.

Forward-Looking Statements

This Current Report includes “forward-looking statements” within the meaning of the “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words such as “estimate,” “objective,” “plan,” “project,” “forecast,” “intend,” “will,” “expect,” “anticipate,” “believe,” “seek,” “target,” “milestone,” “designed to,” “proposed” or other similar expressions that predict or imply future events, trends, terms and/or conditions or that are not statements of historical matters. The Company cautions readers of this Current Report that these forward-looking statements are subject to risks and uncertainties, most of which are difficult to predict and many of which are beyond the Company’s control, that could cause the actual results to differ materially from the expected results. These forward-looking statements include, but are not limited to, the terms of any such Proposed Preferred Stock and the related rights and protections granted to Koito in connection therewith, the Company’s interest, if any, in pursuing the Proposed Preferred Stock transaction contemplated by the Non-binding LOI, the proposed terms of the Proposed Preferred Stock contemplated by the Non-binding LOI, which may vary from those expressed in the Non-binding LOI, and the ability of the Company and Koito to successfully negotiate and agree upon definitive documentation with respect thereto, the potential benefits of entering into the exclusivity agreement and entering into and consummating the Proposed Preferred Stock transaction contemplated by the Non-binding LOI, the ability of the Company to obtain necessary approvals, including the approval of the Company’s shareholders if required, and satisfy applicable closing conditions for such proposed transaction, and the timing thereof. These forward-looking statements should not be relied upon as representing the Company’s assessments as of any date subsequent to the date of this Current Report. Accordingly, undue reliance should not be placed upon the forward-looking statements. The Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events.
